| WORK EXPERIENCE |

THE S GROUP - APPAREL PRODUCT DEVELOPER

August 2023 - March 2025

In charge of driving apparel development for a wide range of clients from established athletic brands to new clothing startups.

Worked with a set of brand standards to create full fashion lines - from trim design, material development, fit and pattern changes, BOM and POM management, 3D asset creation, CMF and more.

Worked with PM, Merchandisers and Factories to provide market ready salesman samples and final products, ranging from commercial items to specialized functional pieces for contract athletes.

IACOLI - FURNITURE AND ACCESSORIES DESIGN INTERN

March 2022 - July 2023

Prepared and drove the creation of 3D .obj assets for both marketing renderings and specialized client-specific products.

Daily use of Rhino3D and Keyshot to create product renderings for online catalogue, printed materials, and client presentations.

PARTE HAUS - DESIGN COORDINATOR

November 2021 - January 2022

Developed custom design templates, bags, boxes, and paper dishware for consumer use.

Improved marketing objectives by creating print and digital promotional materials through adobe creative suite.

Encouraged group efforts by coordinating team meetings to create cohesive design aesthetics.

Established product pricing and timeline by coordinating with manufacturers to implement product procedures.

ACERAGE HOLDINGS - SALES ASSOCIATE

June 2020 - July 2021

Supported customer inquiries by providing product information and selling product in accordance with company guidelines.

Oversaw and organized client/vendor paperwork and an online product portfolio.

Memorized product lineage to best provide recommendations for both medical and recreational buyers.
